

Position description Community Registered Nurse

Position details:

Position title:	Community Registered Nurse	Reports to:	Community Nurse Consultant
Department/Division:	Community Care	Direct reports:	Nil

Position:

Goodwin employs Registered Nurses to provide clinical support to clients living in their own home. Community RNs support the Community team in the administration of medications and wound management for clients. This role directly reports to the Community Nurse Consultant and supports the Community Care Management team in the specialty areas of gerontology; palliative care; transition from hospital to home; dementia support and mental health. Community RNs may also provide support to Co-ordinators in the care assessment, care planning and case management reviews for clients.

Essential requirements:

It is a condition of employment with Goodwin that all employees must have an annual influenza vaccination, unless an exemption is provided on medical grounds. Goodwin offers a free annual influenza vaccination program.

Key responsibilities:

- Delivering quality clinical care and support to clients in accordance with policy and legislative requirements.
- Efficiently managing appointments to respond to client's clinical support needs.
- Liaising with Co-ordinators in assessing the care and clinical support needs of clients as per legislative requirements.
- As required, managing medical, emergency and allied health responses to meet the health and clinical support needs of clients.
- As required, identifying specific medical, emergency or allied health interventions in the areas of gerontology; palliative care; dementia support and mental health.
- Undertaking continued skills and professional development activities in the areas of health, clinical care and support of elderly people.
- Contributing to the overall care support operations delivered by Goodwin Aged Care services.
- Transitional support and discharge planning from hospital to home, providing clinical assessment and review.
- Behaviour management planning, assessment and strategy implementation.
- Review and assessment of policies and procedures around quality and continuous improvement within Community.
- Maintain accurate and timely reports and documentation as per organisational policies
- Maintain professional registration and advise Goodwin of any changes to registration.

Other:

- Compliance with organisational policies and procedures, legislation, Work Health and Safety and diversity.
- Maintain the customer service culture, and present professionally to all people at all times.
- Maintain and promote Goodwin's reputation as a quality organisation.
- Communicates and interacts with all consumers in a dignified and respectful manner.
- Commitment to quality systems and continuous improvement.
