about us	cohealth is a not-for-profit community health organisation. We provide health and support services in Melbourne's CBD, and northern and western suburbs.
what we do	Our work aims to improve the health and wellbeing of our communities and address health and social inequality.
our organisation	cohealth is a community health organisation with an ambitious strategic plan. Our mission is to improve health and wellbeing for all and tackle inequality, in partnership with people and the communities they live in.
our people	People who work at cohealth are committed to designing and delivering high quality health care and promoting and protecting human rights.
diversity and inclusion	We want people of all ages, gender identities, sexualities, cultural backgrounds, and abilities to feel safe to bring their whole selves to cohealth. We are a Rainbow Tick Accredited organisation with over 20% of our staff from the LGBTQIA+ community. To find out more about us click here

network overview

Services Network

The Services Network is responsible for delivering a wide range of health and social support services in Melbourne's CBD, and northern and western suburbs.

position overview and purpose

The Client Service Officer (CSO) is the first point of contact for most clients who access care at cohealth and as such must reflect cohealth values.

The CSO will be responsible for client reception, registration, arranging client appointments, data entry and other associated functions as directed by the Team Leader/Line Manager.

This is a generalist role responsible for the reception and waiting area and providing assistance to the full range of clerical and administrative functions for cohealth including the provision of high-quality Oral Health, Medical and Allied Health services; high standards of customer service when responding, administration and teamwork are required.

The primary role of the CSO is to address all enquiries, whether in person or by telephone, and provide practical and administrative support to Oral Health, Medical and Allied Health staff of the service, including managing the flow of clients to optimise the number of consultations available.

key accountabilities

customer service

- Promptly respond to enquiries from clients and visitors whether face to face or by telephone in a professional and courteous manner. Respect language differences, cultural beliefs and practices;
- Receive and account for all clients who present to the Centre, ensuring that clients are eligible for the Programs and have completed the required documentation prior to their appointments
- Liaise with other cohealth sites and public agencies to facilitate client care
- Supervise the waiting area, including the monitoring of waiting times
- Alert health care providers to the arrival/cancellation of clients for appointments
- Administration of the needle exchange program
- Defusing difficult situations and seeking assistance with critical incidents
- Re-directing incoming calls (internally and externally)
- Providing information for referral to relevant services as required
- Administration of interpreter processes and requirements i.e. use of Telephone Interpreting Service (TIS) and onsite interpreting.
