<b>DIRECTORATE:</b> City Infrastructure	<b>GROUP:</b> Water and Wastewater Services
<b>SECTION:</b> Mechanical and Electrical Services	<b>REPORTS TO:</b> Coordinator Mechanical
<b>GRADE:</b> B	<b>EMPLOYMENT TYPE:</b> Permanent Full-Time
<b>HOURS/WEEK:</b> 38	<b>POSITION No.:</b> 422, 424
<b>DATE:</b> April 2025	

### OUR VISION

*“Empowering the community and visitors to enjoy and grow our opportunities”.*

### OUR VALUES

We ensure that our Values are the foundation for everything we do.

iNnovate

Challenge the status quo in search of better outcomes.

Collaborate

Seek to understand different perspectives to problem solving.

Accountable

Take ownership and have the courage to call things out.

Respect

Mutual respect. No time for disrespect.

Empowering

Here to make a difference.

### THE DIRECTORATE

Our City Infrastructure Directorate is responsible for planning, designing, delivering, operating and maintaining transport, open space, water and waste infrastructure for our local government area and delivering civil construction projects for clients.

## **THE GROUP**

Our Water and Waste Services Group is responsible for planning, delivering, operating and maintaining the City's water, wastewater facilities and networks and waste management and resource recovery facilities.

## **POSITION OBJECTIVES**

- Maintenance of the grounds and wet wells of the City's 140 Sewage pump station sites.
- Assist with the monitoring, servicing and maintenance of plant and equipment associated with the City's Water and wastewater operations.
- Demonstrate a commitment to the City's core values, comply with the Code of Conduct and promote the image of the City as a efficient and professional organisation.

## **KEY ACCOUNTABILITIES**

### **Work Health & Safety (WHS)**

Contribute to a safe working environment by:

- Demonstrating safe work place practices and behaviours and encouraging others to do the same.
- Reporting all incidents, near misses and hazards in accordance with the City's processes.
- Taking reasonable care for own health and safety and the health and safety of others in the workplace.
- Participate and contribute in WHS training and consultation as required and be supportive of the implementation and development of safe work practices.
- Compliance at all times with statutory and regulatory requirements and Australian Standards.

### **Customer Service**

Promote a positive and professional image of the City through:

- Creating and maintaining good relationships with the Community and our stakeholder customers.
- Taking the time to understand the needs of customers and their expectations.
- Provision of clear, accurate and timely technical and general advice to Council, management, stakeholders and clients.
- Following up on both positive and negative feedback received.
- Considering customer service in all aspects of their duties.
- Continuously looking for ways to improve the level of customer service you deliver.

### **Community Engagement**

Committed to active and appropriate engagement processes guided by the principles of:

- Informing – Giving information to the community where instructed.
- Consulting – Obtaining community feedback when requested.
- Involvement – Engaging directly with the community as directed.
- Partnership – Partnering with the community to create solutions.
- Enabling – Placing final decision making in the hands of the community and City of Coffs Harbour management

## **Learning and Development (L&D)**

Support the City of Coffs Harbour as a high performance organisation by:

- Participating in strategic learning and development initiatives.
- Undertake and participate in L&D initiatives that directly enhance and/or improve individual performance and contribute to the City's effectiveness.
- Take individual responsibility for own learning and engage in professional development.
- Participate in learning and development activities in accordance with the City's Training plan.
- Work collaboratively with the other staff to identify training needs and appropriate solutions.

## **Sustainability**

- Consider the interconnections between economy, society and environment and ensure sustainability.
- Incorporate the City's Sustainability Policy and Climate Change Policy into daily operations whilst applying appropriate environmental laws and the management of cultural diversity in controlling the risk of serious or irreversible impacts on the environment, society and heritage values.

## **Continuous Improvement**

- Supporting staff and the leadership team in the implementation of new and improved business processes.
- Support organisational initiatives including business and cultural change programs that progress the organisation towards the desired state.

## **Organisation Support**

- Support the leadership and management by:
  - Embracing the organisations vision and values, so that they are demonstrated through behaviours, actions and attitudes.
  - Ensuring all appropriate City Policies and Procedures relating to employment, including Equal Employment Opportunity, Code of Conduct and Fraud & Corruption.
  - Ensuring the WHS responsibilities of the role are undertaken in accordance with the City WHS Responsibilities Statement, WHS legislation and other City Policies and Procedures regarding WHS.
  - Ensuring business records are maintained accurately and on time, in accordance with the City's Records Management Policy.
  - Providing valued team contribution, coupled with performance and behaviours consistent with a positive and productive work environment.

## **KEY AREAS OF RESPONSIBILITY**

- Maintain the grounds and external appearance of the City's 140 Sewage pump station sites, including mowing, edge trimming and weed spraying.
- Wash down, clean, break up sludge and remove foreign debris from sewer pump station wet wells as required.
- Transport and delivery of odour control chemicals from depot to pump station sites.
- To have a good understanding of sewage transport network assets, be able to identify problems and make minor repairs.
- Assist Mechanical and Electrical work teams with the installation, maintenance, repair and operation of Water and Sewer infrastructure in accordance with Council's objectives, programs, standards and procedures
- Assist with monitoring SCADA pump station performance summary pages and identify adverse trends and act according to procedure or escalate to Coordinator
- Investigate reported problems with pump stations and report findings to Coordinator
- Carry out works in accordance with Section's Operational Plan, budget and to the required technical, safety and environmental standards.
- Assist with monitoring costs as works proceed to ensure works are carried out within the budget limitations and when adverse trends are detected advise your Coordinator so that corrective action may be undertaken.
- Assist with organising allocated tasks to make best use of plant, labour, materials, time and resources.
- Assist in planning of day-to-day works to ensure the best use of plant, materials, time and resources.
- Proactively report any defects or problems observed with Council's assets.
- Ensure that all plant allocated is used efficiently and effectively and maintained and operated safely to Council's Codes and Standards.
- Utilise mobile technology and Council's maintenance management system to organise works, record data and report as required.
- Ensure all required documentation is filled out accurately and correctly, including but not limited to timesheets, inspections, planning sheets and work logs
- Undertake all works in accordance with Council's established standards, protocols and procedures
- Create Work Orders for all planned works

## **KEY RELATIONSHIPS**

### Internal

- Section Leader Mechanical and Electrical Services
- Mechanical Coordinator
- Coordination Areas and Work Teams
- Leadership Team
- Other sections of the City of Coffs Harbour

### External

- Members of the public

## **OTHER POSITION REQUIREMENTS**

- Based on a 38 hour week, with days of work being weekdays between the hours 06:00 and 18:00, actual start and finish times to be arranged between the employee and people leader.
- Flex time may be available in accordance with City procedures.
- Work may be required to be undertaken outside of ordinary working hours as agreed with your People Leader. Payment will be in accordance with the Award and the City's Enterprise Agreement (EA).
- The following allowances apply where the position requirements meet the criteria for payment in accordance with the Award or the City's EA:
  - Live Sewer Allowance
- This position is delegated with certain powers, authorities, duties and functions under the City's Delegations of Authority in accordance with the Local Government Act.
- This position will be provided with the following vaccinations:
  - Hepatitis AB
  - Tetanus
- This position is located at Marcia St Depot, Coffs Harbour with the requirement to attend and/or work at other sites/locations having regard to the nature of the role.
- This position involves working in a predominantly outdoor environment where a varying range of temperatures, weather conditions and walking surfaces may be experienced. The position requires a moderate level of aerobic and physical fitness to undertake regular physical activities such as walking, lifting, pulling, pushing along with the capacity to maintain normal manual handling tasks across the work day – depending on the nature of the tasks undertaken. The use of relevant work method statements and appropriate WHS standards are an integral part of the role. A full functional and medical assessment is required for this position.

## **QUALIFICATIONS/LICENCES/EXPERIENCE**
