

POSITION DESCRIPTION

POSITION: Waste Officer	
DIRECTORATE: City Infrastructure	GROUP: Water and Waste Services
SECTION: Waste Services	REPORTS TO: Waste Services Team Leader
GRADE: I	EMPLOYMENT TYPE: Permanent Full - Time
HOURS/WEEK: 35	POSITION No.: 1097
DATE: July 2025	

OUR VISION

“Empowering the community and visitors to enjoy and grow our opportunities”.

OUR VALUES

We ensure that our Values are the foundation for everything we do.

iNnovate

Challenge the status quo in search of better outcomes.

Collaborate

Seek to understand different perspectives to problem solving.

Accountable

Take ownership and have the courage to call things out.

Respect

Mutual respect. No time for disrespect.

Empowering

Here to make a difference.

THE DIRECTORATE

Our City Infrastructure Directorate is responsible for planning, designing, delivering, operating and maintaining transport, open space, water and waste infrastructure for our local government area and delivering civil construction projects for clients.

THE GROUP/SECTION

Our Water and Waste Services Group is responsible for planning, delivering, operating and maintaining the City's water, wastewater facilities and networks and waste management and resource recovery facilities.

POSITION OBJECTIVES

- Assist in the development and review of strategies and policies that support the objectives and performance criteria of Waste Services.
- Support the implementation and delivery of these strategies and policies to ensure alignment with the Coffs Harbour 2030 Community Strategic Plan.
- Ensure Waste Services operate in accordance with regulatory and licence requirements, adopting best practices across facilities and systems.
- Uphold the City of Coffs Harbour's core values, adhere to the Code of Conduct, and promote a professional and efficient organisational image..

KEY ACCOUNTABILITIES

Work Health & Safety (WHS)

Contribute to a safe working environment by:

- Demonstrating safe work place practices and behaviours and encouraging others to do the same.
- Reporting all incidents, near misses and hazards in accordance with the City's processes.
- Taking reasonable care for own health and safety and the health and safety of others in the workplace.
- Participate and contribute in WHS training and consultation as required and be supportive of the implementation and development of safe work practices.
- Compliance at all times with statutory and regulatory requirements and Australian Standards.

Customer Service

Promote a positive and professional image of the City through:

- Creating and maintaining good relationships with the Community and our stakeholder customers.
- Taking the time to understand the needs of customers and their expectations.
- Provision of clear, accurate and timely technical and general advice to Council, management, stakeholders and clients.
- Following up on both positive and negative feedback received.
- Considering customer service in all aspects of their duties.
- Continuously looking for ways to improve the level of customer service you deliver.

Community Engagement

Committed to active and appropriate engagement processes guided by the principles of:

- Informing – Giving information to the community where instructed.
- Consulting – Obtaining community feedback when requested.
- Involvement – Engaging directly with the community as directed.

- Partnership – Partnering with the community to create solutions.
- Enabling – Placing final decision making in the hands of the community and City of Coffs Harbour management

Learning and Development (L&D)

Support the City of Coffs Harbour as a high performance organisation by:

- Participating in strategic learning and development initiatives.
- Undertake and participate in L&D initiatives that directly enhance and/or improve individual performance and contribute to the City's effectiveness.
- Take individual responsibility for own learning and engage in professional development.
- Participate in learning and development activities in accordance with the City's Training plan.
- Work collaboratively with the other staff to identify training needs and appropriate solutions.

Sustainability

- Consider the interconnections between economy, society and environment and ensure sustainability.
- Incorporate the City's Sustainability Policy and Climate Change Policy into daily operations whilst applying appropriate environmental laws and the management of cultural diversity in controlling the risk of serious or irreversible impacts on the environment, society and heritage values.

Continuous Improvement

- Supporting staff and the leadership team in the implementation of new and improved business processes.
- Support organisational initiatives including business and cultural change programs that progress the organisation towards the desired state.

Organisation Support

- Support the leadership and management by:
 - Embracing the organisations vision and values, so that they are demonstrated through behaviours, actions and attitudes.
 - Ensuring all appropriate City Policies and Procedures relating to employment, including Equal Employment Opportunity, Code of Conduct and Fraud & Corruption.
 - Ensuring the WHS responsibilities of the role are undertaken in accordance with the City WHS Responsibilities Statement, WHS legislation and other City Policies and Procedures regarding WHS.
 - Ensuring business records are maintained accurately and on time, in accordance with the City's Records Management Policy.
 - Providing valued team contribution, coupled with performance and behaviours consistent with a positive and productive work environment.

KEY AREAS OF RESPONSIBILITY

- Provide high-level advice to the Team Leader, Section Leader, and City staff on waste services policy, legislation, and operational matters.
- Support the City's compliance with statutory obligations under the Environment Protection Licence and other relevant legislation, with a focus on environmental performance across landfill, transfer stations, and resource recovery operations.
- Contribute to the monitoring, management, and reporting of environmental performance indicators—including leachate, stormwater, groundwater, air quality, and landfill gas—through robust data collection, inspections, and record-keeping.
- Lead and support the implementation and ongoing improvement of the City's waste service functions, ensuring operational efficiency, environmental compliance, and alignment with best practice.
- Develop, review, and embed waste management plans, operational procedures, and relevant documentation to guide compliant and effective service delivery.
- Undertake technical assessment of development applications and approvals, and contribute to the delivery of key waste programs, projects, and new initiatives in line with emerging priorities.
- Conduct and interpret waste audits across the City's contracts and services, including kerbside collection, public place services, landfill, and transfer stations.
- Evaluate and endorse waste-related accounts, returns, and reports, and contribute to budget preparation, fees and charges, and operational plan reporting.
- Support compliance by monitoring contractor and City operations against Environmental Management Systems and licence conditions and resolve waste-related issues including orphan waste disposal.
- Contribute to the design and delivery of waste education and behaviour change programs that promote waste avoidance, minimisation, reuse, recycling, and litter reduction.
- Coordinate and facilitate community and stakeholder engagement initiatives, including school presentations, public events, and campaigns such as Clean Up Australia Day.
- Undertake other tasks/duties as directed by your leader – that are within the skills, capability and training of the employee.

KEY RELATIONSHIPS

Internal

- Section Leader Waste Services
- Waste Services Team Leader
- Waste Services Team

External

- Government Authorities
- Midwaste / Coffs Coast Waste Service member councils and organisations

OTHER POSITION REQUIREMENTS

- Based on a 35hour week, working hours are Monday to Friday between the hours of 06:00 and 19:00. Actual start and finish times are to be arranged with the People Leader.
- Flex time may be available in accordance with City procedures.
- Subject to operational requirements you may be required to be on-call outside of normal hours, with payment as per the Award.
- The following allowances apply where the position requirements and/or nature of work meet the criteria for payment in accordance with the Award or the City's EA:
 - On-Call Allowance
- This position is delegated with certain powers, authorities, duties and functions under the City's Delegations of Authority in accordance with the Local Government Act.
- This position is located at Yarrila Place, 27 Gordon Street, Coffs Harbour with the requirement to attend and/or work at other sites/locations having regard to the nature of the role.
- This position may on occasions be required to work outside of the City area for extended periods. Appropriate allowances or reimbursement will be provided.
- This position involves working in a predominantly indoor environment and using a computer is considered a core component of the role. There may be occasional visits to other work locations. The position requires an average level of aerobic and physical fitness to undertake occasional physical activities, including manual handling tasks as part of a normal working environment. A medical assessment will be required to be completed prior to commencement.
