network overview

Services Network

The Services Network is responsible for delivering a wide range of health and social support services in Melbourne's CBD, and northern and western suburbs.

position overview and purpose

Parkville Youth Justice Precinct is a youth custodial facility that accommodates children and young people aged 12 to 24 years. Parkville is the reception point for the Youth Justice custodial system and as such, all reception health assessments are undertaken at Parkville before some young men will be transferred to Cherry Creek or Malmsbury Youth Justice Precinct. The primary health service at Parkville is a nurse-led model, with 24/7 on-site nursing coverage.

At Parkville, cohealth aims to deliver a quality, flexible, integrated, efficient service within the custodial environment to young people based on their health needs. This includes delivering primary health, allied health, dental and mental health services, and includes screening, assessing, triaging, and referring to secondary and tertiary health services based on clinical need. cohealth shares a vision for healthy children and young people in custody, supported by a health service responsive to their needs.

cohealth's inclusive workplace culture enables staff to bring their whole selves to work, where uniqueness is valued, and people experience a feeling of belonging. Our aim is for everyone to thrive in their role.

The Enrolled Nurse will provide assessment and monitoring of individuals to ensure safety at all stages of the client journey and work under direct/indirect supervision of a Registered Nurse.

Enrolled Nurses are required onsite 24 hours a day, 7 days a week, and successful candidates will need to be willing to work a rotating roster and be comfortable working across day, afternoon and night shifts.
