POSITION: ICT Support Officer	
DIRECTORATE: Business Services	GROUP: Business Systems
SECTION: ICT Solutions and Support	REPORTS TO: Team Leader ICT Support
GRADE: E	EMPLOYMENT TYPE: Full Time
HOURS/WEEK: 35	POSITION No.: 805
DATE: May 2026	

OUR VISION

“Empowering the community and visitors to enjoy and grow our opportunities”.

OUR VALUES

We ensure that our Values are the foundation for everything we do.

iNnovate

Challenge the status quo in search of better outcomes.

Collaborate

Seek to understand different perspectives to problem solving.

Accountable

Take ownership and have the courage to call things out.

Respect

Mutual respect. No time for disrespect.

Empowering

Here to make a difference.

THE DIRECTORATE

Our Business Services Directorate is focused on enabling and supporting the City through the provision of high quality customer services, robust and innovative business systems, contemporary people and culture guidance as well as positive communications and engagement. The Directorate also covers our Commercial Business areas of property management, Holiday Parks and Laboratory.

THE GROUP/SECTION

Our Business Systems Group is responsible for working across the organisation to develop effective business solutions through the provision of technology systems and support to ensure enhanced service delivery and performance. The Group is also responsible for the provision of the Geographic Information System (GIS) and information to support decision making.

POSITION OBJECTIVES

To support the Business Systems Group in delivering robust, highly available, and cost-effective Information and Communication Technology (ICT) solutions by responding to ICT support tickets, ensuring IT issues are accurately recorded, proactively managed, and resolved to completion, providing high-quality customer support through the ICT Service Desk, reviewing documented solutions, and procuring ICT equipment in line with operational requirements.

KEY ACCOUNTABILITIES

Work Health & Safety (WHS)

Contribute to a safe working environment by:

- Demonstrating safe work place practices and behaviours and encouraging others to do the same.
- Reporting all incidents, near misses and hazards in accordance with the City's processes.
- Taking reasonable care for own health and safety and the health and safety of others in the workplace.
- Participate and contribute in WHS training and consultation as required and be supportive of the implementation and development of safe work practices.
- Compliance at all times with statutory and regulatory requirements and Australian Standards.

Customer Service

Promote a positive and professional image of the City through:

- Creating and maintaining good relationships with the Community and our stakeholder customers.
- Taking the time to understand the needs of customers and their expectations.
- Provision of clear, accurate and timely technical and general advice to Council, management, stakeholders and clients.
- Following up on both positive and negative feedback received.
- Considering customer service in all aspects of their duties.
- Continuously looking for ways to improve the level of customer service you deliver.

Community Engagement

Committed to active and appropriate engagement processes guided by the principles of:

- Informing – Giving information to the community where instructed.
- Consulting – Obtaining community feedback when requested.
- Involvement – Engaging directly with the community as directed.
- Partnership – Partnering with the community to create solutions.
- Enabling – Placing final decision making in the hands of the community and City of Coffs Harbour management

Learning and Development (L&D)

Support the City of Coffs Harbour as a high performance organisation by:

- Participating in strategic learning and development initiatives.
- Undertake and participate in L&D initiatives that directly enhance and/or improve individual performance and contribute to the City's effectiveness.
- Take individual responsibility for own learning and engage in professional development.
- Participate in learning and development activities in accordance with the City's Training plan.
- Work collaboratively with the other staff to identify training needs and appropriate solutions.

Sustainability

- Consider the interconnections between economy, society and environment and ensure sustainability.
- Incorporate the City's Sustainability Policy and Climate Change Policy into daily operations whilst applying appropriate environmental laws and the management of cultural diversity in controlling the risk of serious or irreversible impacts on the environment, society and heritage values.

Continuous Improvement

- Supporting staff and the leadership team in the implementation of new and improved business processes.
- Support organisational initiatives including business and cultural change programs that progress the organisation towards the desired state.

Organisation Support

- Support the leadership and management by:
 - Embracing the organisations vision and values, so that they are demonstrated through behaviours, actions and attitudes.
 - Ensuring all appropriate City Policies and Procedures relating to employment, including Equal Employment Opportunity, Code of Conduct and Fraud & Corruption.
 - Ensuring the WHS responsibilities of the role are undertaken in accordance with the City WHS Responsibilities Statement, WHS legislation and other City Policies and Procedures regarding WHS.
 - Ensuring business records are maintained accurately and on time, in accordance with the City's Records Management Policy.
 - Providing valued team contribution, coupled with performance and behaviours consistent with a positive and productive work environment.

KEY AREAS OF RESPONSIBILITY

- Provide excellent service and advice to all customers regarding ICT.
- Troubleshoot, triage and resolve ICT issues in accordance with agreed timeframes.
- Ensure all incidents are recorded and the Documentation\Knowledge base is updated.
- Document solutions for End users and/or ICT support staff.
- Procure ICT equipment within delegation.
- Assist with provisioning and decommissioning of ICT equipment.
- Ensure the ICT Asset Register is up to date.
- Partner with Business Systems Group Team Leaders to discuss the impact of incidents on products and services.
- Identify training gaps within the organisation based on experience in resolving ICT issues.
- Proactively learn and train other staff members on new product and service technologies.
- Assist with processes and projects aligned to ICT Operations, Networking, Cyber Security.
- Keep abreast of ICT technology and trends.
- Undertake other tasks/duties as directed by your leader – that are within the skills, capability and training of the employee.

KEY RELATIONSHIPS

Internal

- Executive Leadership team of the City
- Group Leader Business Systems and Section Leader ICT Solutions and Support
- Team Leader ICT Support and ICT Support Staff
- Other City of Coffs Harbour staff

External

- Technology partners

OTHER POSITION REQUIREMENTS

- Based on a 35 hour week, the ordinary hours of work will generally be between 06:00 and 19:00 Monday to Friday. Actual start and finish times within this span will be arranged with your People Leader. Ordinary hours worked outside this span as agreed will attract the appropriate shift penalty in accordance with the Award and the City's procedures.
- Flex time may be available in accordance with City procedures.
- Work may be required to be undertaken outside of ordinary working hours as agreed with your People Leader. Payment will be in accordance with the Award and the City's Enterprise Agreement (EA).
- Subject to operational requirements you may be required to be on-call outside of normal hours, with payment as per the Award.
- This position is delegated with certain powers, authorities, duties and functions under the City's Delegations of Authority in accordance with the Local Government Act.
- This position is located at Yarrila Place, 27 Gordon St, Coffs Harbour with the requirement to attend and/or work at other sites/locations having regard to the nature of the role.
- This position involves working in a predominantly indoor environment and using a computer is considered a core component of the role. There may be occasional visits to other work locations. The position requires an average level of aerobic and physical fitness to undertake occasional physical activities, including manual handling tasks as part of a normal working environment. A medical assessment will be required to be completed prior to commencement.

QUALIFICATIONS/LICENCES/EXPERIENCE

Essential

- Tertiary qualifications in an ICT related discipline, or relevant skills and experience
- Current Class C Drivers Licence.

Desirable

- Experience TechnologyOne Systems.

CAPABILITIES

- Demonstrated ICT technical capability supported by practical experience across ICT Service Desk operations, effective problem-solving, and the confident use of ICT terminology, with experience in corporate applications including Windows, Microsoft Office, and TechnologyOne systems.
- High-level written and verbal communication skills, with the ability to engage effectively with a range of stakeholders.
- Proven customer service capability, with a strong focus on responsiveness, professionalism, and positive user experience.
- Demonstrated ability to work collaboratively within a team environment, contributing constructively to shared objectives and team outcomes.
